SUBMISSION

Send this form with attached abstract, by Friday 27th October to the ADC office email:

admin@australiandairyconference.com.au

In submitting, please send two separate files as follows, one document for the nomination form and one document for the abstract. They must be no more than one, A4 page.

The Abstract should be self-contained, readable and easily understood by people not closely involved in the field. It should contain clear objectives, appropriate data and conclusions as appropriate. While reporting scientific research results, it should indicate their value to the dairy industry. Unnecessary jargon and abbreviations, and information not relevant to the objectives and conclusions, should be avoided.
